## Accommodate Bookmark Instructions

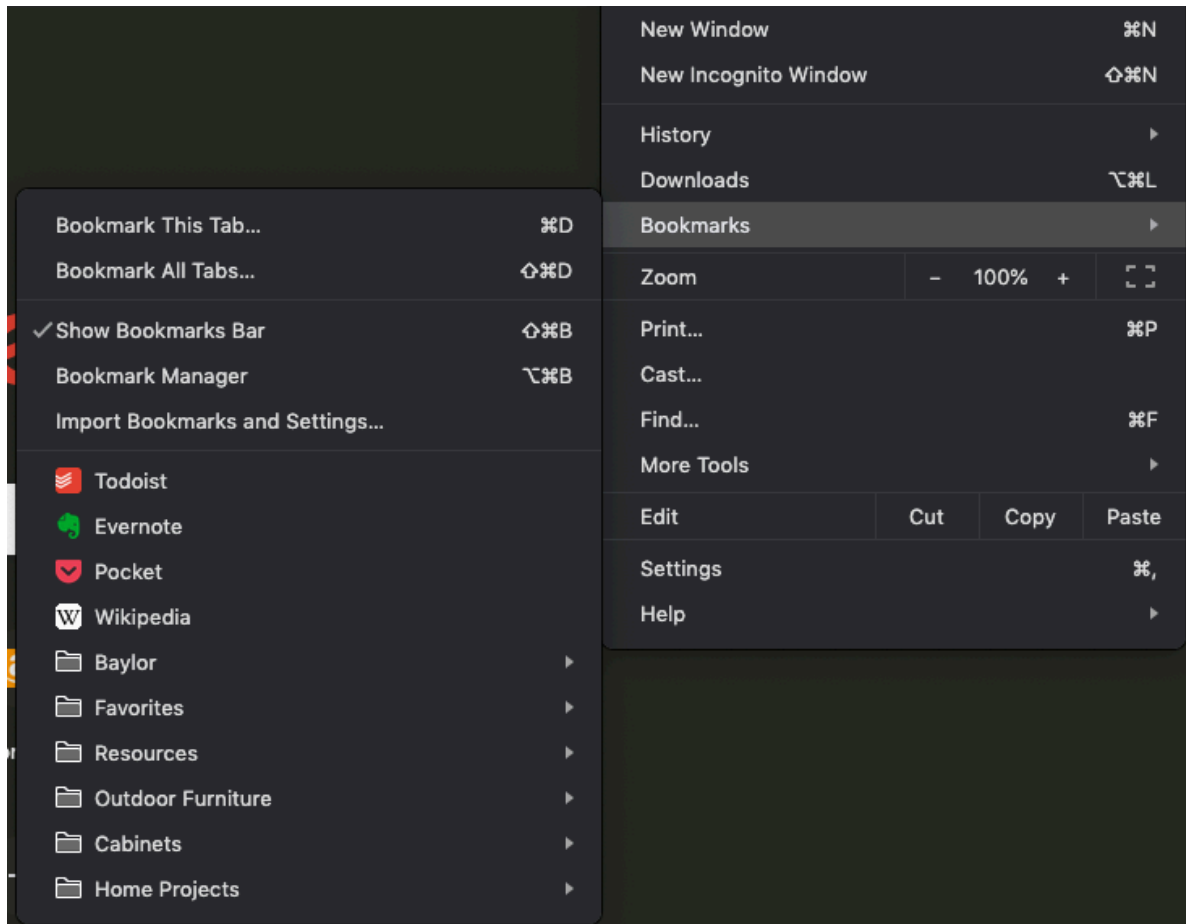

### Google Chrome is the Recommended Browser for Using Accommodate

#### Chrome

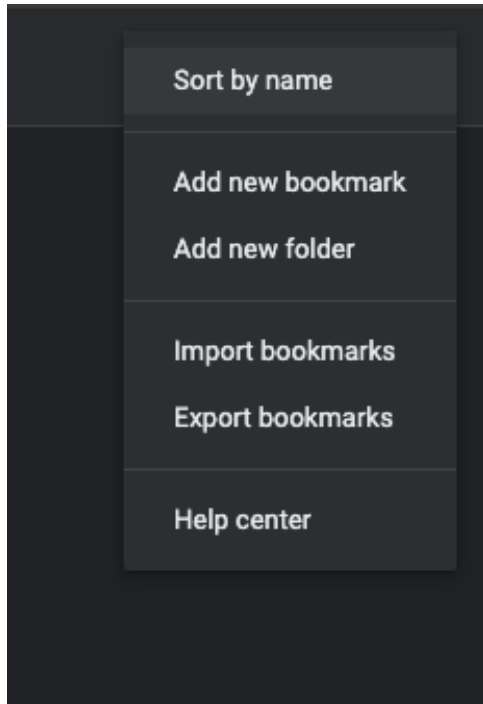

1. Enter Chrome menu by clicking three dots in upper right corner of window. Then click "Bookmarks."

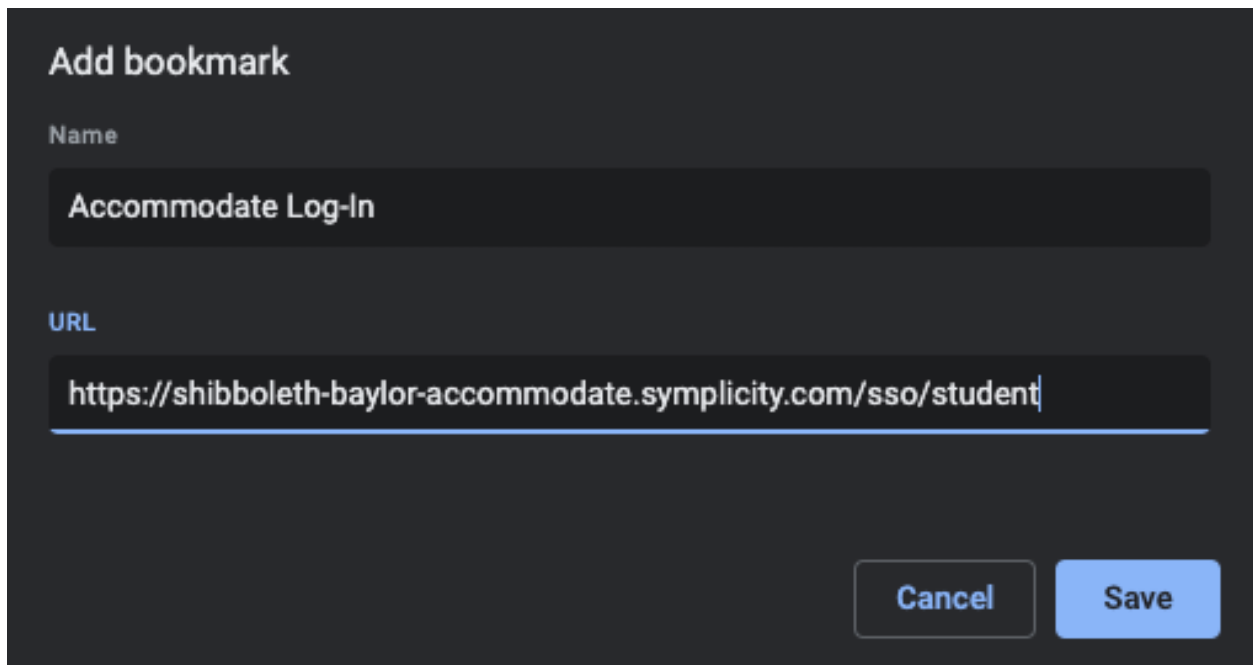

2. Click “Bookmark Manager.”

3. Enter Bookmarks menu by clicking three dots in upper right corner. Click “Add New Bookmark.”

4. Enter information into dialogue box (example below). Name is personal preference. The URL is <https://shibboleth-baylor-accommodate.symplicity.com/sso/student>.

A dark-themed dialog box titled "Add bookmark" is shown. It contains two input fields: "Name" with the text "Accommodate Log-In" and "URL" with the text "https://shibboleth-baylor-accommodate.symplicity.com/sso/student". At the bottom right, there are two buttons: "Cancel" and "Save".

5. Click “Save.”
